First-time visitors to the club are usually struck by the unusual outlook of the pool from any given height. The straight side spans 50-metres for lap swimming and the curved side features the jacuzzi and a sunken pool bar. There are also the wading and training pools, both snugly tucked at a corner of the pool where children rule.

Swimming classes (Basic to Advanced Levels) available! Please email contact@seh-int.com or call 6581 0339 for more information. Visit <http://www.seh-int.com/edu/> for more information.
